It is our intention that the camp scholarship grants be provided to sons and daughters of officers who have been permanently injured or paralyzed in the line of duty on a first come, first serve basis and given throughout the summer as long as funding continues to be available.

We would suggest that when your child returns from camp that a thank you letter and perhaps a photo be sent to our office so that we can properly thank our donors and also share your child's experience with other families through our newsletter.
